

# Bike Space Volunteer

**Project: Bike Space and logistics**

**INTERNATIONAL or RESIDENT VOLUNTEER (English, other languages are a plus)**

## Main tasks

- Administration of the bike rental system;
- Managing the space and the maintenance of the bikes and the tools;
- Check and control the bike system; register new members; assure that bikes are returned and stored in good condition;
- Provide training and workshops for new renters and OCC volunteers.
- Assist with logistics across OCC spaces, as needed.

## Requirements

- Organisational skills;
- Previous experience with bike repair and maintenance is an asset;
- Good level of English, other languages are an asset (Greek, Arabic, Dari, etc.)
- Awareness and ability to work in a diverse, delicate, and difficult context with empathy and open mindedness.
- Previous experience working with people with a migration background in a similar context will be an asset.
